Westboro's upscale Barley Mow pub now open

Barley Mow owner Jason Curry had been looking at opening a location in Westboro for fifteen years, so when the perfect spot on Richmond Rd became available, he jumped at the opportunity. The large pub has more of an upscale bar/lounge feel than the other seven locations scattered throughout the city and its

surrounding areas and is perfectly suited to the Westboro crowd.

The newly opened space has been completely custom designed to create a mellow, comfortable vibe. Stylish touches like custom metalwork from a local blacksmith give the space a unique feel and with cosy booths and modern high

tables and chairs, whether you're sitting down to a family meal or catching up with a friends over a couple of beers, the Barley Mow is the perfect location.

Perhaps the main thing setting the Barley Mow apart from other pubs is the delicious menu. Not your typical pub food, the Barley Mow offers fresh, made in-house gastro style meals. From traditional Fish & Chips to Gnocchi Bourguignon, there's something for everyone on the well designed menu. If you're looking for a delicious light bite try the 'Yorkie Minis', a Mini Yorkshire pudding filled with "AAA" Prime Rib topped with horseradish mayo.

While you're enjoying your freshly prepared cuisine, why not take in a little entertainment too? On Friday and Saturday nights, the Barley Mow is the place to be with live music on offer

The large inviting bar is the perfect place to pull up a seat and enjoy a cold beer while watching the game

from musical duos. A raised stage in the back centre of the space means that there isn't a bad seat in the house and everyone can enjoy the entertainment.

For those looking for a great space for a meeting or event, there is a private party room available with a

capacity of 40.

When the weather heats up, a 1600 sq. ft rooftop patio will open, creating an outside seating area that Jason says will be 'backyard inspired'. With seating areas around firepits and fences shielding it from any wind, the rooftop is

sure to become a Westboro hotspot during the summer months.

Now open in Westboro, the Barley Mow is located at 399 Richmond Rd.
